Top FABRICATIONS & Ideal MARKETS

FABRICATIONS

100% Cotton

A natural fiber fabric made entirely from cotton fibers. It's widely used due to its breathability, comfort, and versatility in decoration.

Benefits:

- Holds ink well and absorbs color evenly
- Naturally stable under heat
- Predictable shrinkage behavior

100% Ring-Spun Cotton

Cotton fibers that are continuously twisted and thinned during spinning, creating a softer, stronger, and smoother yarn compared to open-end cotton.

Benefits:

- Smoother print surface for higher print clarity
- Increased durability due to stronger yarn structure
- Softer hand feel

100% Combed Ring-Spun Cotton

Cotton that is additionally combed to remove shorter fibers and impurities, resulting in the highest level of softness and surface uniformity among cotton types.

Benefits:

- Ultra-smooth and highly uniform surface
- Stronger fabric with reduced pilling
- Premium feel for elevated brand positioning
